This document sets out the General Rental Terms & Conditions applicable to any rental of an electric vehicle from NICE ACTIVITY, trading under the brand NOMADRIVE. Please read it carefully before signing your Rental Agreement.

I. General Information

1. Definitions

1.1. These General Rental Terms & Conditions govern any rental agreement entered into between NICE ACTIVITY (SAS with share capital of €100,000, registered with the Nice Trade and Companies Register under number 994 620 615), trading under the brand NOMADRIVE (hereinafter “the rental company”, “we”) and the renter (hereinafter “you”).

1.2. The Rental Agreement is the document electronically signed upon collection of the vehicle. It includes a summary of your rental (duration, vehicle, estimated fees) and incorporates these General Terms & Conditions by reference.

1.3. The term “vehicle” refers to the electric light quadricycle (Fiat Topolino, Citroën Ami or any equivalent model) made available to you, together with all its equipment and accessories.

1.4. By signing the Rental Agreement, you acknowledge that you have read these General Terms & Conditions and agree to comply with them.

2. Responsibilities

2.1. NICE ACTIVITY undertakes to deliver a vehicle in good working order, clean and with its battery charged.

2.2. You must use, maintain and return the vehicle in accordance with these terms.

IMPORTANT — you are liable in the event of late return, loss of the vehicle, or any damage occurring during the rental. You are also responsible for any fine or traffic violation received during the rental period.

2.3. Please read this agreement carefully to fully understand your obligations and responsibilities.

3. Disputes

3.1. In the event of a dispute, we will endeavour to resolve it amicably. Any complaint must be sent to us in writing at contact@nomadrive.fr within 14 days following the end of the rental, together with the contract details and supporting evidence.

3.2. In the event of a persistent disagreement, you may refer the matter to a consumer mediator or to the competent court of Nice (France).

3.3. This agreement is governed by French law.

4. Confidentiality and vehicle data

4.1. Personal data collected (surname, first name, email, address, photo of the driving licence, signature) is processed solely within the scope of the rental and stored in accordance with the GDPR. You have the right to access, rectify and delete your data by writing to contact@nomadrive.fr.

4.2. Vehicles may be fitted with a tracking system. This data is used for security, fleet management and claims handling purposes. It is retained for the duration necessary to fulfil these purposes.

4.3. We may contact you during or after your rental if a safety or operational alert is detected on the vehicle.

II. Vehicle Collection

1. Security deposit / Card pre-authorisation

1.1. When the keys are handed over, a pre-authorisation hold is placed on your credit or debit card for an amount of €500. This amount covers any damage and additional charges.

1.2. The pre-authorisation is released within a maximum of 30 days after the vehicle is returned in good condition. This timeframe depends on your bank.

IMPORTANT — Please ensure you have sufficient available credit on your bank card before collecting the vehicle.

2. Rental fees

2.1. The rental amount is specified at the time of booking and shown on the front of the Rental Agreement. By signing the agreement, you agree to pay this amount as well as any additional fees.

The term “OTA” (Online Travel Agency) refers to any online travel agency through which the booking may have been made.

4.2. Refund conditions are as follows:

4.3. In the event of weather conditions making use of the vehicle unsafe (orange or red Météo-France warning, impassable roads), NOMADRIVE reserves the right to cancel or reschedule the service. In such cases, the customer will be offered either a rescheduled date or a full refund.

4.4. In the event of force majeure within the meaning of Article 1218 of the French Civil Code (an unforeseeable, irresistible event beyond the control of the parties) preventing performance of the service, neither party shall be held liable. A rescheduled booking or a refund will be offered according to the circumstances.
